

Master of Health Science- Chinese Medicine International Scholarship 2016

Complete your Masters Health Science (Chinese Medicine) in New Zealand through a blended online course with flexible learning opportunities.

Through this Masters course, you will gain enhanced clinical knowledge from experts in their field, learn how to better understand and communicate research findings with patients and health professionals, and learn how to conduct audits and research to enhance your practice. Evidence Based Acupuncture is taking the profession to new frontiers - be part of this change and start your journey to contribute to the research base of your profession today!

International Student 2016 Scholarship –

The successful recipient will pay the NZ resident price of \$5,203 per annum instead of the international price of \$6,946. Over the course of the three years of part-time study this is a saving of \$5,229. Admin fees apply.

To be considered, you are asked to submit a short essay (up to 1500 words) as to why you should be considered for this scholarship.

Your essay along with the application form must be received by the post graduate programme director Debra.Bett@nzsao.com no later than October 25th 2015.

Once the academic committee has considered all applications, you will be notified of the outcome of your application by November 5th, 2015, to allow you time to make your travel arrangements. The academic panel's decision on the winner of the scholarship is final. The scholarship winner will also have to satisfy the academic entry requirements for the programme, including English Language proficiency if applicable.
